

Summary Form for Electronic Document Submittal

Form F

Lead agencies may include 15 hardcopies of this document when submitting electronic copies of Environmental Impact Reports, Negative Declarations, Mitigated Negative Declarations, or Notices of Preparation to the State Clearinghouse (SCH). The SCH also accepts other summaries, such as EIR Executive Summaries prepared pursuant to CEQA Guidelines Section 15123. Please include one copy of the Notice of Completion Form (NOC) with your submission and attach the summary to each electronic copy of the document.

SCH #: _____

Project Title: Sacramento River VELB Conservation Bank

Lead Agency: County of Colusa

Contact Name: Steve Geiger

Email: sgeiger@countyofcolusa.com

Phone Number: (530) 458-0891

Project Location: 4075 River Road, Colusa CA 95932, Colusa County

City

County

Project Description (Proposed actions, location, and/or consequences).

The proposed project would provide habitat for the federally listed Valley elderberry longhorn beetle (VELB; *Desmocerus californicus dimorphus*) within a 13.3-acre project site. The proposed project would provide 329 compensatory mitigation credits for unavoidable impacts to VELB by developing suitable habitat that would be protected and maintained in perpetuity

Identify the project's significant or potentially significant effects and briefly describe any proposed mitigation measures that would reduce or avoid that effect.

Potentially Significant Impact Include:

Agriculture and Forestry Resources;
Cultural Resources;
Land Use/Planning; and
Tribal Cultural Resources.

Mitigation Measures are:

Mitigation Measure AG-1: Williamson Act Contract Non-Renewal;

Mitigation Measure CUL-1: Tribal Resources Sensitivity Training;

Mitigation Measure CUL-2: Discovery or Recognition of Human Remains During Construction; and

Mitigation Measure LU-1: Mitigation Bank Credit Reservation and Discount.

If applicable, describe any of the project's areas of controversy known to the Lead Agency, including issues raised by agencies and the public.

No areas of controversy are known to Colusa County.

Provide a list of the responsible or trustee agencies for the project.

Responsible or trustee agencies for the project include:

Central Valley Flood Protection Board Encroachment Permit;
Regional Water Quality Control Board; and
The Department of Fish and Wildlife.
