Present Land Use/Zoning/General Plan Designation:

Irrigation District

Project Description: *(please use a separate page if necessary)*

- Nevada ID would accept a new FERC license in order to:
- Continue to operate, maintain, and manage the existing Yuba-Bear Hydroelectric Project facilities.
 - Remove from licensed facilities a segment of Chicago Park Forebay Road and the unnamed recreation road that provides access to the Jackson Meadows administrative site.
 - Construct a new proposed powerhouse (the Rollins upgrade) that would be located within the existing FERC Project Boundary on NID-owned land adjacent to the existing Rollins Powerhouse.
 - Construct and rehabilitate existing facilities at the following recreation areas: Jackson Meadows reservoir, Milton diversion impoundment, Bowman Lake, Sawmill Lake, Canyon Creek, Dutch Flat No. 2 forebay, and Dutch Flat afterbay.
 - Make minor modifications to the existing FERC Project Boundary.
 - Implement the other terms and conditions in the new license.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.

Reviewing Agencies Checklist

Lead Agencies may recommend State Clearinghouse distribution by marking agencies below with an "X".
If you have already sent your document to the agency please denote that with an "S".
