Project Title: GEORGIANA SLOUGH EROSION CONTROL AND HABITAT ENHANCEMENT PROJECT

Project Applicant: Brannan-Andrus Levee Maintenance District

Project Location (include county): Sacramento County, Right bank of Georgiana Slough 1/4 mile upstream of Mokelumne River

Project Description:

The Brannan-Andrus Levee Maintenance District (BALMD) is proposing the Georgiana Slough Erosion Control and Habitat Enhancement Project to resolve upper slope erosion problems and a major lower slope undercutting issue along the right bank levee of Georgiana Slough, on Lower Andrus Island. The Proposed Project would involve construction of proven erosion control methods involving placement of quarry stone rip rap (or rock slope protection - RSP) at the toe of the levee, which doubles as a foundational base for a habitat bench that will be constructed along the entire length. Once completed, the Project would provide suitable erosion control to the levee utilizing recognized and effective erosion control methodologies and support fish-friendly habitat through the creation of wetland and riparian shaded riverine aquatic (SRA) habitat on the channel margin.

This is to advise that the Brannan-Andrus Levee Maintenance District has approved the above ([] Lead Agency or [] Responsible Agency)

described project on August 08-2024 and has made the following determinations regarding the above (date) described project.

- 1. The project [] will [] will not] have a significant effect on the environment.
2. [] An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA. [] A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures [] were [] were not] made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan [] was [] was not] adopted for this project.
5. A statement of Overriding Considerations [] was [] was not] adopted for this project.
6. Findings [] were [] were not] made pursuant to the provisions of CEQA.

This is to certify that the final EIR with comments and responses and record of project approval, or the negative Declaration, is available to the General Public at:
