This is to advise that the County of San Diego Board of Supervisors has approved the above described project on **June 26, 2024 (item # 1)** and found the project to be exempt from the CEQA under the following criteria:

Exempt status and applicable section of the CEQA ("C") and/or State CEQA Guidelines ("G"): (check only one)

- Declared Emergency [C 21080(b)(3); G 15269(a)]
- Emergency Project [C 21080(b)(4); G 15269(b)(c)]
- Statutory Exemption. C Section:
- Categorical Exemption. G Section(s): 15301, 15303, 15304
- G 15182 – Residential Projects Pursuant to a Specific Plan
- Activity is exempt from the CEQA because it is not a project as defined in Section 15378.
- G 15061(b)(3) - It can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment and the activity is not subject to the CEQA.

Statement of reasons why project is exempt: Section 15301 is appropriate because the community garden will be located within an existing park facility and will be used for recreation, involving negligible expansion of former use. Section 15303 is appropriate because the project involves the installation of accessory structures such as a shed, fencing, and raised garden beds. Section 15304 is appropriate for because the project includes minor land disturbances that do not involve the removal of healthy, mature, scenic trees.

Additionally, the project would not impact environmental resources of hazardous or critical concern that are designated, precisely mapped and officially adopted by government agencies; does not contribute to cumulative environmental impact; would not have a significant impact on the environment due to unusual circumstances; does not damage scenic resources within a designated state scenic highway; is not on the list of Hazardous Waste and Substance Sites pursuant to Section 65962.5 of the Government Code; and does not cause adverse change in the significance of a historical resource.

The following is to be filled in only upon formal project approval by the appropriate County of San Diego decision-making body.
