**PROJECT TITLE:** Adamson House Poolhouse Fencing Restoration  
**LOCATION:** Malibu Lagoon State Beach  
**COUNTY:** Los Angeles

**DESCRIPTION OF THE NATURE AND PURPOSE OF PROJECT:**

The project's purpose is to restore the existing ornamental steel structural support panels, steel post anchor straps, and turned-wood fence posts around the Adamson House Pool House and Pool. The steel panels and post anchor strap hardware will be re-galvanized and powder coated to match the original painted finish. The replacement posts will be in kind, with the same shape, size, and material that was originally installed around the perimeter of the pool. All work will meet Secretary of Interior Standards for Treatment of Historic Properties, including replication of all details of the posts and hardware to match the materials, design, size, color, ornamentation, and style. Further information regarding the project, as well as measures to be implemented to avoid impacts, may be obtained by contacting the project Environmental Coordinator listed below.
