(559) 447-3300

Project Applicant:

Project Title:  (Project)

Project Address:

Project County:

## Project Description:

The Applicant proposes to operate a continuous chlorination treatment system that was installed at Moravia Winery. The system injects 12.5% sodium hypochlorite solution into the water.

Public Agency Approving the Project: State Water Resources Control Board (State Water Board)

This is to advise that the State Water Board has issued a  for the described project on . A record of approval for the Project is available to the general public at the State Water Board, Division of Drinking Water District Office noted above.

## Exemption Status:

## Reason why project is exempt:

The Project is categorically exempt because it is the operation of a health protection device for use in conjunction with the existing well and will not involve expansion of use. None of the exceptions listed in section 15300.2 of the CEQA Guidelines would apply to the proposed Project.
