Present Land Use/Zoning/General Plan Designation:

Agricultural / A-2 (General Agriculture)

Project Description: *(please use a separate page if necessary)*

The County proposes to replace the existing bridge at Meloland Road over Central Drain. Meloland Road is a north-south minor collector road serving the surrounding agricultural community and the Holtville area via Evan Hewes Highway. The Central Drain is a critical drain maintained and operated by the Imperial Irrigation District for the entire El Centro urban area, and discharges directly into the Rositas Waste Drain approximately 900 feet downstream, and subsequently into the Alamo River, located 0.25 mile from Meloland Road.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.

Reviewing Agencies Checklist

Lead Agencies may recommend State Clearinghouse distribution by marking agencies below with an "X". If you have already sent your document to the agency please denote that with an "S".
