Project Title: Leucadia Village Court Pressure-Relief Valve

Project Applicant: San Dieguito Water District

Project Location – Specific:

Adjacent to Leucadia Village Court in the Leucadia community of the City of Encinitas, approximately 1500 feet north of E Glaucus Street and 100 feet west of Interstate 5

Project Location – City: Encinitas Project Location – County: San Diego

Description of Nature, Purpose and Beneficiaries of Project:

The project would make a minor addition to existing public water infrastructure to provide appropriate water pressure at existing residential connections. The project proposes installing a 3" pressure-relief valve that would activate when an existing pressure-reducing valve fails to act. A small concrete v-ditch would be installed to divert water into the road gutter when the valve activates.
