Area Code/Telephone Number

Exempt Status: (check one)

- Ministerial [Sec. 21080(B)(1); 15268];
- Declared Emergency [Sec. 21080(B)(3); 15269(a)];
- Emergency Project [Sec. 21080(B)(4); 15269(b)];
- Categorical Exemption. State type and section: Project, §15301, Class 1 (c). §15302, Class 2 (b)
- Statutory Exemptions. (State code number):

Reasons why the project is exempt:

- Section 15301 (c), Class 1, Existing Facilities, allows for operation, repair, and maintenance involving negligible or no expansion of use beyond that existing at the time of the lead's agency's determination, but not limited to existing highways and streets. The County Service Area 70 R-51 (Old Toll Access Roads) Paving is the maintenance of existing facility involving no expansion of use beyond existing. This Project is categorically exempt from CEQA review pursuant to Section 15301 (c) and will not significantly affect the environment.
- Section 15302, Class 2 (b): These covers replace a commercial structure with a new structure of the same size, purpose, and capacity. This proposed new road paving structure has been designed to offer the same size, purpose, and capacity as the existing roads. Hence, it would not significantly impact the environment since this will greatly benefit the residents of the county or community, providing them with a safer and more reliable means of transportation.
