Project Applicant: Ontario Municipal Utilities Company

Project Title: Equipping Well No. 43 (UT 1024) (Project)

Project Address: Near Airport Dr and Carnegie Ave, Ontario, CA (APN: 0211-222-75)

Project County: San Bernardino

Project Description:

Equipping of existing Well 43 drilled October 2007 with a 900 horsepower (HP) vertical pump with a capacity of 3,800 gallons per minute (gpm). The project will consist of an above ground masonry block building, an on-site sodium hypochlorite generation system, mechanical piping, electrical, HVAC, instrumentation, a 600 HP backup generator with a 24-hour fuel tank, and landscaping. The building

Public Agency Approving the Project: State Water Resources Control Board (State Water Board)

This is to advise that the State Water Board has issued a permit amendment for the described project on 07/16/2024. A record of approval for the Project is available to the general public at the State Water Board, Division of Drinking Water District Office noted above.

Exemption Status:

Categorical Exemption(s)

Categorical Exemption—Section 15301, (Class 1, Existing Facilities)

Reason why project is exempt:

14 CCR 15301 (b) allows for an exemption for operation of existing facilities with no expansion of use and 14 CCR15301 (e) allows for addition to existing structures provided the addition will not result in increase or 50 percent of the floor area before the addition, or 2,500 square feet, whichever is less.
