Project Description (Proposed actions, location, and/or consequences).

The California Department of Transportation, (CALTRANS) hereby requests the issuance of a Conditional Use Permit for the purpose of drilling, developing and maintaining a new water well at the Sand Hills Safety Roadside Rest Area. The proposed well will be located entirely within the Interstate Right of Way. The new well is intended to replace the existing dilapidated and unrepairable well that currently exists at this location. The new well will serve to ensure health, safety and sanitary needs (ie. Restrooms) of the traveling public throughout the Interstate 8 corridor in Imperial County. The expected usage from the new well is anticipated to match the existing water well, around 1/2 acre-foot per year, with no planned increasement in water extraction

Identify the project's significant or potentially significant effects and briefly describe any proposed mitigation measures that would reduce or avoid that effect.
