Project Title: San Antonio Drive Path and Safe Routes to Schools Improvements Project

Project Applicant: City of King City

Project Location (include county): San Antonio Drive, City of King City, County of Monterey

Project Description:

1-mile road diet on San Antonio Drive from Broadway Street to Mildred Avenue, curb extensions, buffered and protected bike facilities, and SRTS elements including high-visibility crosswalks. Improve connectivity between San Lorenzo County Park and Class II bike lanes on San Antonio Drive. Improve traffic flows and make safety improvements with 3 roundabouts along Broadway Street at Franciscan Way, Canal Street, and Mildred Avenue.

This is to advise that the City of King City has approved the above (Lead Agency or Responsible Agency)

described project on January 14, 2025 and has made the following determinations regarding the above described project.

- 1. The project will not have a significant effect on the environment.
2. An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA. A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures were not made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan was not adopted for this project.
5. A statement of Overriding Considerations was not adopted for this project.
6. Findings were not made pursuant to the provisions of CEQA.

This is to certify that the final EIR with comments and responses and record of project approval, or the negative Declaration, is available to the General Public at: City of King City Community Development Department, 212 S Vanderhurst Avenue, King City, CA 93930
