

If applicable, describe any of the project's areas of controversy known to the Lead Agency, including issues raised by agencies and the public.

Comments received during the circulation period of the Notice of Preparation (NOP) identify concerns regarding biological resources, planned growth, and public services and schools. These topics are discussed in 4.4, Biological Resources, 4.11, Land Use and Planning, 4.13, Population, and 4.14, Public Services, of the PDEIR.

Provide a list of the responsible or trustee agencies for the project.

California Department of Fish and Wildlife  
Caltrans  
Regional Water Quality Control Board  
US Army Corps of Engineers  
US Fish and Wildlife Service  
South Coast Air Quality Management District  
California Public Utilities Commission
