**Present Land Use/Zoning/General Plan Designation:**

General Plan: Hillside Residential; Zoning: Agricultural (proposed Residential Hillside)

**Project Description:** (please use a separate page if necessary)

The project proposes a Zoning Map amendment (Z 22-03) to rezone the property to RH (Residential Hillside), consistent with the 2040 General Plan Hillside Residential land use designation, and a Tentative Map (TM 22-02) to subdivide the site into 54 lots. Future applications would be submitted to construct a single-family residence on each lot. The project would also include a private club house that would be located on the western side of the site. The project would construct new streets, utility lines, and parking for the proposed residences. The existing creek and pond located in the central portion of the site would be preserved in place. The project site is not on any of the lists enumerated under Section 65962.5 of the Government Code.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.
