**Project Description:** *(please use a separate page if necessary)*

PS-Coast LLC, owner of the project parcel, conducted tree removal under an Emergency Permit issued by the County of Del Norte on February 22, 2024, authorizing the removal of a total of three (3) hazardous Sitka Spruce trees. Two (2) hazard trees were located on parcel 102-150-006 and were within striking distance of structures. One (1) hazard tree was located on parcel 102-150-007 and was within striking distance of a neighbor's structure and power and phone lines. Emergency Permits (DNCC 21.50.50) recognize that in some instances a person or public agency performing a public service may need to undertake work to protect life and public property, or to maintain public services before the provisions of Title 14 and 21 can be fully complied with. A condition of the Emergency Permit issuance was to follow up with an after-the-fact Coastal Grading Permit to complete the necessary documentation.
