### Continuation sheet:

Scope of work:

Caltrans proposes to rehabilitate the elevation differential between lanes on the northbound direction of Interstate 5 within the Caltrans Right-of-Way in Sacramento County at PM 16.147.

#### Staging

- Staging has not been identified in the project description above or in the current project plans. If staging is identified outside the current project study limits, it must be cleared by either Caltrans Environmental Staff or contractor provided Environmental specialists. Documentation must be provided to Caltrans Environmental staff for approval. Per Design Information Bulletin Number 85, Guidance for the Consideration of Material Disposal, Staging, and Borrow Sites, Original signed by Mark Leja, Division Chief, Division of Design, May 15, 2007 and Section 7-103 Protection of Environmental Resources, in Chapter 7 of the August 2006 Caltrans Construction Manual the contractor will provide to Caltrans environmental documentation prepared by appropriately qualified environmental specialists. The contractor will also obtain or update all necessary permits, licenses, and agreements including supporting environmental documents from appropriate regulatory and governmental agencies.

#### Disposal/Borrow

- No borrow/disposal would be required.

#### Right-of-Way

- All work will occur within the Caltrans Right-of-Way.

#### Consultation/Coordination

- No Consultation/Coordination is required.

#### Permits

- No environmental permits will be required.

#### Utility

- The work will not require any utility relocation.
