Project Title (Application Number): PLNE57604

Project Location – Specific: 2600 Temple Avenue

Project Location – City/County: **City of Long Beach, Los Angeles County, California**

Description of Nature, Purpose and Beneficiaries of Project:

The scope of work includes the installation of 10 Level 3 DC Fast Chargers by the City of Long Beach at the Fleet Services Yard located at 2600 Temple Ave. The chargers will be installed at a site that has already been developed, and the work will consist of some alterations/modifications to existing infrastructure to make space and connect electrical infrastructure to new EV charging stations at existing parking spaces.

Public Agency Approving Project: **City of Long Beach, California**

Person or Agency Carrying Out Project: City of Long Beach Public Works Department

Exempt Status: **(Check One)**

Ministerial (Sec 21080(b)(1); 15268);

Declared Emergency (Sec 21080(b)(3); 15269(a));

Emergency Project (Sec 21080(b)(4); 15269(b)(c));

Categorical Exemption. State type and section number: 15301, 15303, 15304

Statutory Exemption. State code number: \_\_\_\_\_

Reasons why project is exempt:

The project is exempt from the above reference exemptions as the scope of work consists of the installation of new EV chargers and appurtenant work with no change to the existing use (vehicle parking)(Section 15301) or expansion of the existing facility. The project includes the installation of a limited number of new small equipment (EV chargers) within an existing lot/facility (Section 15303). The installation of conduit will require minor trenching where disturbed surface areas are restored to pre-project paved conditions, and be located in urbanized areas currently developed for vehicular parking and other maintenance operations and no trees or vegetation would be removed as part of the proposed project.
