Project Title: Lake Shastina Drinking Water Improvements Project

Project Applicant: Lake Shastina Community Services District

Project Location (include county): Siskiyou County

Project Description:

The District has identified several deficiencies in the overall water treatment system including aging tanks, inadequate water storage, inadequate pressure in the southeast zone, lack of backup power, and aging fire hydrants. To remedy these deficiencies, the District proposes a combination of replacement components and new construction (well house buildings and one above ground water tank). The District is planning to make upgrades to all water meters and fire hydrants throughout the project site. The water
