Date: August 7, 2024	Re: Acierno Vineyard Conversion ECPA #P23-00348 7070 Silverado Trail, APN 032-070-024 SCH 2024080231

OPR State Clearinghouse,

The purpose of this communication is to request the attached plans (*Acierno Silverado Trail Vineyard Erosion Control Plan, RSA+, February 23, 2024 – Exhibit A-1*) for the Acierno Vineyard Conversion ECPA be added to the Attachments of the Published Document (SCH #2024080231).

The plans area accessible from <https://www.pb.es.cloud/index.php/s/eJgZZPfpCXSjBo6>

These plans were not included in the original submittal because there were issues making them fully text searchable, which caused them not to be included with the original submittal. Rather than delaying the SCH publication the county elected to submit them separately.

As indicated in the June 6, 2024, notification documents, all the project documents including these plans were available on June 6th at the County’s current project site:
<https://www.countyofnapa.org/2876/Current-Projects-Explorer>

Please let me know if you have any questions or would like to discuss this request further.
Respectfully,

Donald Barrella
