Project Title: Farms Farm Farm LLC (Project)

Project Location: The Project is located at APN: 015-420-40-00 in Trinity County.

County: Trinity County

Project Description: The Department of Cannabis Control, pursuant to authority granted under Business and Profession Code, Division 10, Chapter 2, Section 26012, approved a Small Mixed-Light Tier 1 commercial cannabis license.

Project Activities: The Project will consist of cultivation of up to 10,000 square feet (sf) of mature mixed-light cannabis. Existing cultivation support structures consist of three (3) storage sheds used for administrative hold, pesticide, agricultural chemical, and general storage as well as a carport and water tanks of various capacities. There is an existing fenced cannabis compost area on the project site, as well as an existing septic system. The proposed project would add a 320-SF shipping container to the project site proposed to house harvest storage, an immature plant area, and processing, bringing the total support square footage to approximately 3,460 SF. The proposed project includes use of an existing permitted groundwater well, and power is provided to the site via an existing connection to Trinity Public Utilities District. There is an existing portable gas-powered generator on-site that would be used to provide emergency power to the project.
