Re: SCH Document #2024080009

Dear State Clearinghouse,

Upon submission of the NRS-KRS 115 kV Transmission Line Project, our team has discovered that the signed Environmental Determination was not included in the Draft IS/MND uploaded on July 31, 2024.

Please replace the version posted online with the updated version attached to the email. This file is identical to the one that has been uploaded, except it includes the signature of SVP's Project Manager, Allie Jackman, on the Environmental Determination Form, which is included in the IS/MND as Section 2.

Please reach out with any questions.

Sincerely,

Grace Weeks, Project Manager
c/o Allie Jackman, Project Manager
Principal Electric Utility Engineer
