Project Description (Proposed actions, location, and/or consequences).

Development Plan 23-01, for the construction of the proposed 14940 Proctor, LLC. Development on approximately 7.59 acres of non-vacant land, the demolition of the existing building totaling 90,828 square feet, and the construction of a new 165,537 square-foot tilt-up concrete industrial building and associated improvements.

Identify the project's significant or potentially significant effects and briefly describe any proposed mitigation measures that would reduce or avoid that effect.

It has been determined through an Initial Study (" IS") that the proposed project has the potential for significant effects in environmental topics that include Biological Resources, Cultural Resources, Geology and Soils, Hazards and Hazardous Materials, Hydrology and Water Quality, and Tribal Cultural Resources, but each of those potential impacts are mitigated to less than significant with the mitigation measures identified in the proposed Mitigated Negative Declaration.

If applicable, describe any of the project's areas of controversy known to the Lead Agency, including issues raised by agencies and the public.
