

If applicable, describe any of the project's areas of controversy known to the Lead Agency, including issues raised by agencies and the public.

The City of Perris has identified some issues of controversy associated with the Project after consideration of all comments received in response to the NOP. The issues of controversy are:

- Potential disruption of tribal cultural resources;
- Potential air quality or health risk effects of new traffic in the area;
- Potential disruptions in the visual character of the I-215 corridor.

Regarding issues to be resolved, this Draft EIR addresses the environmental issues that are known by the City, issues that were identified in the comment letters that the City received in response to the Project NOP, and comments received during the EIR scoping meeting.

Provide a list of the responsible or trustee agencies for the project.
