### Project Description:

Yuba County Public Work's Department is requesting an Environmental Assessment to construct drainage infrastructure and establish a multi-modal transportation network along 13 road segments in the community of Olivehurst. The proposed project will eliminate the existing roadside ditches and install a new underground storm drain system sized to accommodate projected runoff from heavy rain events. This Project will connect to existing sidewalk and bicycle facilities throughout many of the remaining roads within the community of Olivehurst, improving the connectivity and safety of the communities' multi-modal transportation network. The Project is expected to begin construction in the February 2026 and be fully constructed by August 2027.

This is to advise that the Yuba County Development Review Committee has approved the above described project on September 5, 2024, and has made the following determinations regarding the above described project:

1. The project  will  will not have a significant effect on the environment.
2.  An environmental impact report (EIR) was prepared and certified for the project pursuant to the provisions of California Environmental Quality Act (CEQA).  
 A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures  were  were not made a condition of project approval.
4. A mitigation reporting or monitoring plan  was  was not adopted for this project.
5. A Statement of Overriding Considerations  was  was not adopted for this project.
6. Findings  were  were not made pursuant to the provisions of CEQA

This is to certify that the Mitigated Negative Declaration and record of project approval is available to the General Public at the Yuba County Planning Department office, 915 8<sup>th</sup> Street, Suite 123, Marysville, CA 95901-5273
