Categorical Exemption.

State type and section number: Section 15302 Replacement or Reconstruction and Section 15301 Existing Facilities

Statutory Exemption.

State code number:

Reasons why project is exempt:

Section 15302 Replacement or Reconstruction (Class 2): The Class 2 Categorical Exemption consists of replacement or reconstruction of existing structures and facilities where the new structure will be located on the same site as the structure replaced and will have substantially the same purpose and capacity as the structure replaced. The new replacement fencing will be located on the same site as the fencing replaced and will have substantially the same purpose and capacity as the fencing replaced. All equipment that is removed from the site will be disposed of in a manner that meets all federal, state and local environmental and regulatory requirements.

Section 15301 Existing Facilities (Class 1): The Class 1 Categorical Exemption consists of the operation, repair, maintenance, permitting, leasing, or minor alteration of existing public or private structures, facilities, mechanical equipment, or topographical features, involving negligible or no expansion of existing or former use. The project involves pouring concrete over the existing site in order to prevent water saturation for the fenced areas involving no expansion of existing or former use.
