Project Description (Proposed actions, location, and/or consequences).

This project consists of a General Plan Amendment, Zone Reclassification, and 2 Administrative Use Permits to result in a truck parking and recreational vehicle storage facility.

Identify the project's significant or potentially significant effects and briefly describe any proposed mitigation measures that would reduce or avoid that effect.

This project consists of a General Plan Amendment, Zone Reclassification, and 2 Administrative Use Permits to result in a truck parking and recreational vehicle storage facility. The project was referred to the San Joaquin Council of Governments, who as a condition of approval will require the applicant to participate in the San Joaquin County Multi-Species Habitat Conservation and Open Space Plan for any future ground disturbance related to the development of the subject site. This will mitigate any negative impacts associated with biological resources in the area. Additionally, the project was referred to the San Joaquin Air Pollution Control District who as a condition of approval will require mitigation efforts that are included in the Mitigation Monitoring and Reporting Plan.

If applicable, describe any of the project's areas of controversy known to the Lead Agency, including issues raised by agencies and the public.
