

NOTICE OF EXEMPTION

To: County of Los Angeles
Registrar-Recorder/Clerk
Business Filing & Registration
12400 Imperial Highway,
Room 1201
Norwalk, California 90650

From: Port of Long Beach
Environmental Planning Division
415 West Ocean Boulevard
Long Beach, California 90802

Project Title: On-Call Marine Concrete Repair Services – Authority to Advertise for Bids
Specification HD-S3209

State Clearinghouse No.:

Project Location – Specific: Long Beach Harbor District

Project Location – City: Long Beach

Project Location – County: Los Angeles County

Description of Nature, Purpose and Beneficiaries of Project: The Long Beach Board of Harbor Commissioners authorized the Chief Executive Officer to advertise for bids On-Call Marine Concrete Repair Services under Specification HD-S3209 for the repair, rehabilitation, and/or replacement of Port-wide waterfront concrete structures.

Name of Public Agency Approving Project: Port of Long Beach

Name of Person or Agency Carrying out Project: Port of Long Beach

Exempt Status: (check one):

- Ministerial Exemption [Section 21080(b)(1); 15268];
- Declared Emergency (Section 21080(b)(3); 15269(a));
- Emergency Project [Section 21080(b)(4); 15269(b)(c)]
- Categorical Exemption.

*State type and section number: Section 15301 Class 1, Existing Facilities;
Section 15302 Class 2, Replacement or Reconstruction*

- Statutory Exemption.

State code number:

- Common Sense Exemption (Section 15061(b)(3))

Reasons why project is exempt:

Section 15301 Existing Facilities (Class 1): The Class 1 Categorical Exemption consists of the operation, repair, maintenance, permitting, leasing, or minor alteration of existing public or private structures, facilities, mechanical equipment, or topographical features, involving negligible or no expansion of existing or former use. Based on bids received, the Port would enter into contracts with contractors to perform the repair, rehabilitation, and/or replacement of existing Port-wide waterfront concrete structures under the existing five-year Harbor Development Permit (HDP) 23-036 issued in August 2023 for five-year maintenance dredging and routine maintenance of in-water structures. The project involves negligible or no expansion of existing or former use.

Section 15302 Replacement or Reconstruction (Class 2): The Class 2 Categorical Exemption consists of the replacement or reconstruction of existing structures and facilities where the new structure will be located on the same site as the structure replaced and will have substantially the same purpose and capacity as the structure replaced. Based on the bids received, the Port would enter into contracts with contractors for work involving the repair, rehabilitation, and/or replacement of Port-wide waterfront concrete structures under the existing HDP 23-036 issued in August 2023 for five-year maintenance dredging and routine maintenance of in-water structures.

The Port has determined that none of the exceptions to the exemptions in the California Environmental Quality Act (CEQA) Guidelines Section 15300.2 foreclose the use of the categorical exemption in CEQA Guidelines Section 15301 (Existing Facilities) and/or Section 15302 (Replacement or Reconstruction); Therefore, the Project is exempt from CEQA and no further environmental review is required.

Lead Agency

Contact Person: Allyson Teramoto **Area Code/Telephone/Extension:** (562) 283-7100

If filed by applicant:

1. Attach certified document of exemption finding.
2. Has a Notice of Exemption been filed by the public agency approving the project? Yes No
