Memorandum

Date: August 21, 2024
To: All Reviewing Agencies
From: Samuel Assefa, Director
Re: SCH # **2024080364**
Carancho Pump Station Expansion and Improvement [Project No. D20148]

On **August 8, 2024**, the State Clearinghouse submitted the above Mitigated Negative Declaration to your agency for review with an incorrect project title.

The correct project title is:

Carancho Pump Station Expansion and Improvement [Project No. D2048]

We apologize for this error and request that you note the above information for your files. All other project information remains the same.

To Whom It May Concern:

Rancho California Water District’s (District/Lead Agency) Carancho Pump Station Expansion and Improvement [Project No. D2048] Initial Study/ Mitigated Negative Declaration (IS/MND) (SCH# 2024080364) was published on August 8, 2024, initiating the 30-day state review period. The Lead Agency project number is incorrect on the CEQAnet Summary page, and the Lead Agency is requesting that this be corrected on CEQAnet. The correction is described and shown as follows:

Please change the title at the top of the Summary page and on the Document Title line, as shown below, from “Carancho Pump Station Expansion and Improvement [Project No. D20148]” to “**Carancho Pump Station Expansion and Improvement [Project No. D2048]**”. Please see the requested changes outlined in the image below:

Carancho Pump Station Expansion and Improvement [Project No. D20148 D2048]	
Summary	
SCH Number	2024080364
Lead Agency	Rancho California Water District
Document Title	Carancho Pump Station Expansion and Improvement [Project No. D20148 D2048]
Document Type	MND - Mitigated Negative Declaration
Received	8/8/2024
Present Land Use	The Project Site is within the existing footprint of Carancho Pump Station, owned and operated by Rancho Water, on APN 933-050-036. The Project Site is zoned for Residential Agricultural (10 acres), and Riverside County’s General Plan Designation considers the Project Site Rural Foundation and Open Space Foundation.
Document Description	This is an ISMND for Rancho California Water District proposed improvements for Carancho Pump Station, within the existing footprint of Carancho Pump Station. The Project Site is located on APN 933-050-036, within south-western unincorporated Riverside County. The Project involves demolition of both existing Carancho Tank Nos. 1 and 2, removal of a 12-inch diameter intake pipe, installation of approximately 600 linear feet of 24-inch diameter potable water pipeline, and equipment/ancillary improvements to an existing pump station. Improvements con-

If you should have any questions, please contact me at the District office at (951) 296-6977 or bueroh@ranchowater.com.
