**Present Land Use/Zoning/General Plan Designation:**

Transportation/Highway

**Project Description:** (please use a separate page if necessary)

The California Department of Transportation (Caltrans), in cooperation with Santa Clara Valley Transportation Authority (VTA), and the City of San José (City), proposes the State Route (SR) 87/Capitol Expressway Interchange Improvement Project (Project) to construct improvements between the SR 87/Capitol Expressway interchange and Narvaez Avenue in the City.

Proposed improvements include but are not limited to reconfiguring the existing SR 87/Capitol Expressway Interchange with new ramps that connect directly to Capitol Expressway; closing the existing northbound SR 87 on-ramp at Narvaez Avenue; reconfiguring the existing signalized intersection on Narvaez Avenue; and building retaining walls, soundwalls, and barriers, as needed.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.

## Reviewing Agencies Checklist

Lead Agencies may recommend State Clearinghouse distribution by marking agencies below with an "X".  
If you have already sent your document to the agency please denote that with an "S".
