Project Applicant: Rio Bravo Greeley School District

Project Title: Operation of the Rio Bravo Greeley School Treatment System (Project)

Project Address: 6601 Enos Lane and Kratzmeyer Road, Bakersfield, 35°25'11.4"N 119°

Project County: Kern County

Project Description:

The Applicant proposes to operate a granular activated carbon treatment system to remove 1,2,3 trichloropropane and an ion exchange treatment system to remove nitrates from the groundwater at their existing water facility on the Rio Bravo Greeley campus.

Public Agency Approving the Project: State Water Resources Control Board (State Water Board)

This is to advise that the State Water Board has issued a water supply permit amendment for the described project on 08/06/2024. A record of approval for the Project is available to the general public at the State Water Board, Division of Drinking Water District Office noted above.

Exemption Status:

Categorical Exemption(s)

Cal. Code Regs. Title 14. §15301

Reason why project is exempt:

The project is exempt because it is the minor alteration of an existing facility that does not expand the use of the facility.
