**Project Title:** Doggett Driveway Culvert (Notification of Lake or Streambed Alteration, No. EPIMS-TRI-43393-R1)

**Project Location (Trinity):** The project is located at an unnamed tributary to Hoadley Gulch, tributary to the Trinity River, in the County of Trinity, 243 Henrietta Road, Lewiston, CA; 40.707858°N, 122.796138°W; Section 20, Township 33N, Range 08W, U.S. Geological Survey (USGS) map Lewiston, Mt. Diablo Base and Meridian; Assessor's Parcel Number 025-350-057-000.

**Project Description:** The California Department of Fish and Wildlife has executed Lake and Streambed Alteration Agreement EPIMS Notification No. EPIMS-TRI-43393-R1, pursuant to Section 1602 of the Fish and Game Code to Kevin Doggett.

The Project is limited to installation of a new corrugated plastic culvert to extend the existing driveway culvert. The partially installed culvert is approximately 30" in diameter and shall not extend more than 30 feet total. Clean, imported fill will be used on top of the culvert, bringing the fill prism level with the surrounding driveway surface.

**Public Agency Approving Project: CALIFORNIA DEPARTMENT OF FISH AND WILDLIFE**

**Person or Public Agency Carrying Out Project:** Kevin Doggett

**Exempt Status:**

Statutory Exemption.

Categorical Exemption. Type – Class 3; California Code of Regulations, title 14, section 15303-- Construction of limited numbers of new, small facilities or structures, installation of small new equipment and facilities in small structures; and the conversion of existing small structures from one use to another where only minor modifications are made.

**Reasons why project is exempt:** The project is limited to extending an existing culvert no more than 30 linear feet. Imported fill will cover the crossing and erosion control will be used to limit erosion from fill faces. There would be no significant adverse impact on endangered, threatened, or rare species or their habitat pursuant to section 15065. There are no known hazardous materials at or around the project site that may be disturbed or removed.

**CDFW Contact Person:** Kate Blanchard (Senior Environmental Scientist), 530-225-2300, [R1LSARedding@wildlife.ca.gov](mailto:R1LSARedding@wildlife.ca.gov)
