Reason(s) Why Project is Exempt From CEQA:

The project is exempt per Section 15183 as the environmental analysis conducted for the project concluded that the proposed project is consistent with the build out of the General Plan Update Environmental Impact Report (GPU EIR). Upon implementation of regulatory requirements and mitigation measures contained in the GPU EIR, the proposed project would not have any specific effects, which are peculiar to the project or the project site. Lastly, there are no project specific impacts or potentially significant off site or cumulative impacts that the GPU EIR did not already analyze.
