Hello Cyndi,

The California Department of Transportation (Caltrans) appreciates the opportunity to review and comment on the Notice of Exemption for the proposed project to replace an existing water storage tank and demo of the existing tank because it is beyond its useful life and is need of replacement.

The proposed project is located at 19850 Villa Drive in Sonora, Tuolumne County, approximately 2.5 miles from State Route 49. The Assessor's Parcel Number is 034-33-001.

Caltrans has no additional comments at this time. However, Caltrans requests to be included in the review process for all future development at this location.

Thank you,

*Janet*
