Description of Nature, Purpose and Beneficiaries of Project:
The City's proposed project would amend and update the City's existing Zoning Code and Subdivision Ordinance to implement the City's 2030 General Plan, ensure compliance with State law, stimulate housing production, and to promote and enhance the public health, safety, and welfare of the residents.

Name of Public Agency Approving Project: City of Reedley Community Development Department

Name of Person or Agency Carrying Out Project: City of Reedley Community Development Department

- Exempt Status: (check one):
- Ministerial (Sec. 21080(b)(1); 15268);
 - Declared Emergency (Sec. 21080(b)(3); 15269(a));
 - Emergency Project (Sec. 21080(b)(4); 15269(b)(c));
 - Categorical Exemption. State type and section number: Section 15168 - Finding of Consistency
 - Statutory Exemptions. State code number: _____

Reasons why project is exempt:
Given that the General Plan provides directives for land use and development within the city, and the Zoning Code and Subdivision Ordinance directly impact properties within Reedley, it's evident that the proposed project falls within the planning purview of GP 2030. Consequently, the project falls under the scope of the Final EIR because it analyzes the envisioned development patterns and densities outlined in GP 2030. Additionally, because the project is consistent with the adopted GP 2030, and conditions warranting additional review in a subsequent EIR do not exist, the project requires no additional environmental review pursuant to CEQA Guidelines Section 15168.
