State Clearinghouse Number (if submitted to State Clearinghouse): 2024080720
Project Title: Glenarm BESS Project
Project Applicant: City of Pasadena Water and Power Department
Project Location (include county): 72 East Glenarm Street, Los Angeles County; AIN: 5317-030-901

Project Description:

The City of Pasadena Water and Power is proposing to install a 25-megawatt (MW) utility-scale Battery Energy Storage System (BESS) on an approximately 0.59-acre site, within PWP's existing Glenarm Power Plant, located at 72 East Glenarm Street in the City of Pasadena, California. The Project, using lithium-ion battery storage technology, would charge and store electricity, with a minimum storage capability of four hours. The proposed Glenarm BESS would be composed of lithium-ion batteries, inverters, medium-voltage transformers, a switchyard, a collector substation, and other associated equipment to interconnect into the existing PWP electric transmission system. Design, construction, demolition/decommissioning, and maintenance of the BESS Project must adhere to all applicable local, State, and federal regulations and protocols. A private entity would be selected to develop and maintain the BESS and sell the associated capacity and operational attributes to Pasadena under an Energy Storage Agreement (ESA). The ESA would include an option for Pasadena to purchase the BESS at the Commissioned Operating Date (COD), the second year after COD, or the fifth year after COD and any succeeding years.

This is to advise that the City of Pasadena has approved the above (X) Lead Agency or () Responsible Agency described project on March 19, 2025 and has made the following determinations regarding the above described project.

- 1. The project () will (X) will not have a significant effect on the environment.
2. () An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA. (X) A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures (X) were () were not made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan (X) was () was not adopted for this project.
5. A statement of Overriding Considerations () was (X) was not adopted for this project.
6. Findings () were (X) were not made pursuant to the provisions of CEQA.

This is to certify that the Initial Study and Mitigated Negative Declaration with comments and responses and record of project approval is available to the General Public at: https://www.cityofpasadena.net/planning/environmental-notices/
