Project Title: SGMA Phase 2 Conjunctive Use Project

Project Applicant: Banta-Carbona Irrigation District

Project Location (include county): S Koster Road and Durham Ferry, San Joaquin County

Project Description:

The Project will consist of construction of a minimum of twelve thousand (12,000) linear feet of 18- to 36-inch diameter pipelines, and expansion of an existing pump station. The pipeline will be constructed through irrigated farmland that has been continuously disturbed for the past several decades. The Project will provide an average annual volume of 2,400 acre-feet per year of surface water to replace groundwater pumping, eliminate a projected average annual 800 acre-foot deficit, and provide a factor of safety.

This is to advise that the Banta-Carbona Irrigation District has approved the above (Lead Agency or Responsible Agency)

described project on October 16, 2024 and has made the following determinations regarding the above described project.

- 1. The project will not have a significant effect on the environment.
2. An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA. A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures were made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan was adopted for this project.
5. A statement of Overriding Considerations was adopted for this project.
6. Findings were made pursuant to the provisions of CEQA.

This is to certify that the final EIR with comments and responses and record of project approval, or the negative Declaration, is available to the General Public at:
