RE: SCH 2024080904 – FNC Farming Annexation and Subdivision Project

On August 22, 2024, the public review period began for a Notice of Preparation for the above referenced project. As part of the CEQAnet submittals a Notice of Preparation (NOP) was uploaded for the project. Within the NOP, a reference is made to a public scoping meeting to be held for the project. An error was made in referencing the date of the public scoping meeting. The notice states that the scoping meeting will be held on “Thursday” September 11, 2024. However, the notice should have stated that the meeting would be held on “Wednesday” September 11, 2024.

Please find attached the corrected notice. We would request that the corrected notice be posted to CEQAnet for the project. Please contact me with any questions at [ssopp@tulare.ca.gov](mailto:ssopp@tulare.ca.gov) or (559) 684-4216.

Sincerely,

Steven Sopp  
Principal Planner
