Present Land Use/Zoning/General Plan Designation:

AR-2 (Agricultural-Residential 2-Acres)/AR-2 (Agricultural-Residential 2-Acres)/Ag-Res (Agricultural Residential)

Project Description: *(please use a separate page if necessary)*

1. A Tentative Subdivision Map to divide an existing 25.2-acre parcel, zoned AR-2 (Agricultural-Residential 2 acres) into a total of 12 new lots, varying in size from 2.00 to 2.27 acres.
 2. A Special Development Permit to allow a reduction in street frontage from the minimum required 150 feet to 113.75 feet for lot three and 76.66 feet for lot four.
 3. A Design Review (DRS) to determine substantial compliance with the Sacramento County Countywide Design Guidelines (Design Guidelines).
- If approved, the project would result in significant grading for home pads, driveways, drainage improvements, and the extension of Excelsior Road and construction of a new 42-foot-wide public road. The project is also expected to result in 12 new single-family homes; however, it is unclear whether those would be built concurrently or individually as custom homes.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.

Reviewing Agencies Checklist

Lead Agencies may recommend State Clearinghouse distribution by marking agencies below with and "X".
If you have already sent your document to the agency please denote that with an "S".
