RE: Correction to Notice of Exemption Submittal for the City of Calimesa 2021-2029 Housing Element Project: After the Notice of Exemption for the City of Calimesa 2021-2029 Housing Element Project was submitted to the State Clearinghouse's website, it was discovered that a typo was made in the contact information for the City. Please, can you correct the Contact Information for Kelly Lucia to 909-795-9801 rather than 909-796-9801, which was published under SCH No. 2024080830.
