Present Land Use/Zoning/General Plan Designation:

Greenway, Open Space

Project Description: *(please use a separate page if necessary)*

The City of Redding (City) Canter Court Sewer Replacement (project) involves the replacement of two existing 6-inch-diameter sewer siphons that run under Churn Creek. The project would consist of the removal and replacement of the two existing 348-foot-long, 6-inch-diameter concrete-encased sewer siphons. Replacement of these siphons is needed to address age-related deterioration. The siphons require a high level of maintenance and pose the risk of overflow contamination into Churn Creek and the vicinity.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.

Reviewing Agencies Checklist

Lead Agencies may recommend State Clearinghouse distribution by marking agencies below with and "X".
If you have already sent your document to the agency please denote that with an "S".
