Name of Person or Agency Carrying Out Project: Kevin La

- Exempt Status: **(check one):**
- Ministerial (Sec. 21080(b)(1); 15268);
 - Declared Emergency (Sec. 21080(b)(3); 15269(a));
 - Emergency Project (Sec. 21080(b)(4); 15269(b)(c));
 - Categorical Exemption. State type and section number: Existing Facilities Section 15301
 - Statutory Exemptions. State code number: Section 15061(b)(3)

Reasons why project is exempt:

The project is categorically exempt from the provisions of the California Environmental Quality Act (CEQA) Guidelines pursuant to Section 15301, Existing Facilities, which exempts negligible or no expansions of use in existing facilities from the provisions of CEQA. The building in which the project is proposed already exists. The project will not include any exterior alterations to the existing building footprint façade as previously approved. There are interior tenant improvements, but are not in the scope of the conditional use permit application and will be subject to obtaining the proper permits from Gardena’s Building and Safety Division. The business use retains the commercial use on the property and is merely the inclusion of ancillary sales of beer and wine for on-site consumption to a cigar lounge. Therefore, the sale of beer and wine for on-site consumption is seen as a negligible expansion of use.

The project is also categorically exempt from the provisions of CEQA pursuant to Guideline Section 15061(b)(3), which exempts projects where it can be seen with certainty that the activity in question does not have a significant effect on the environment. The sale of beer and wine consumed on-site is not an expansion of the existing use and will not create any environmental effects.

The project is not subject to any of the exceptions to the exemptions under Section 15300.2 of the California Environmental Quality Act. The cumulative impact of the sale of alcoholic beverages incidental to a cigar lounge is not considered significant. The project is not located along any state-designated scenic highway nor within any designated hazardous waste site. The building where the sale of alcohol is taking place is not considered a significant historical structure by any governmental body. Staff does not expect any significant impacts or unusual circumstances related to the approval of this project.

Therefore, the proposed project is categorically exempt from CEQA.
