FILED TULARE COUNTY
AUG 22 2024
ASSESSOR / CLERK-RECORDER BY:
DATE RECEIVED FOR FILING AT TULARE COUNTY CLERK'S OFFICE

Applicant(s): Big River Drilling, LLC
P.O. Box 837
Riverdale, CA 93656 (559) 867-3806

Project Title: Domestic Well for the Gentry Property (CEQ 24-012)

Project Location - Specific: The project is located at 15600 Avenue 296, Lot F., just east of Road 156 and approximately 0.15 mile north of Mineral King Avenue., and approximately two (2) miles east of the City of Visalia. (APN 103-250-004)

Project Location- Section, Township, Range: Section 25, Township 18S, Range 25E, MDBM

Project Location - City: N/A, east of the City of Visalia

Project Location - County: Tulare

Description of Nature, Purpose, and Beneficiaries of Project: The project site is located east of the City of Visalia and is within Visalia Urban Area Boundary (UAB). The property is zoned AE-20 (Exclusive Agricultural – 20 Acre Minimum). The property owner is requesting an administrative variance for construction of a new (replacement) well to supply the property with water for the residential uses consistent with the existing zoning. The location of the new well is unable to comply with the minimum setback requirements from an animal/fowl enclosure. The contractor will install the required 50' annular seal and applicant is accepting the responsibility of the animal enclosure not meeting setback requirements. The beneficiary of the project is the property owner.

Exempt Status: (check one)

Categorical Exemption: CEQA Guidelines Class 3 Section 15303 New Construction or Conversion of Small Structures

Reasons why project is exempt:

This action is consistent with Section 15303 Class 3, New Construction or Conversion of Small Structures; because the new structure will provide water for the residence in the AE-20 (Exclusive Agriculture – 20 Acre Minimum) zoned property. Also, construction of a well is subject to Tulare County Ordinance Code Part IV. Health, Safety and Sanitation Chapter 13, Construction of Wells. Therefore, the application of CEQA Section 15303 Class 3, New Construction or Conversion of Small Structures is applicable and appropriate for this project.
