Project Applicant: County of San Diego Department of Parks and Recreation, 5500 Overland Avenue, Suite 410, San Diego, CA 92123. (858) 565-3600

Project Description: This project proposes to work with Cal Fire to maintain and manage fire breaks in accordance with their recommendations on DPR managed lands.

Agency Approving Project: County of San Diego

Date Form Completed: August 6, 2024

County Contact Person: Andy Quinn

Telephone: (858) 699-8097

This is to advise that the County of San Diego Director of Department of Parks and Recreation has approved the above-described project on **August 6, 2024**, and found the project to be exempt from the CEQA under the following criteria:

Exempt status and applicable section of the CEQA ("C") and/or State CEQA Guidelines ("G"): (check only one)

- Declared Emergency [C 21080(b)(3); G 15269(a)]
- Emergency Project [C 21080(b)(4); G 15269(b)(c)]
- Statutory Exemption. C Section:
- Categorical Exemption. G Section(s): 15301 and 15304
- G 15182 – Residential Projects Pursuant to a Specific Plan
- Activity is exempt from the CEQA because it is not a project as defined in Section 15378.
- G 15061(b)(3) - It can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment and the activity is not subject to the CEQA.

Statement of reasons why project is exempt: Section 15301 applies because the proposed project is for maintenance of the existing fuel management involving no expansion to former use. Section 15304 applies because the proposed project would involve minor earthwork consisting of removal of dead vegetation, fuel reduction, vegetation management, shaded fuel breaks, and enhancement of fire-prone habitats using methods known to reduce fire risk. Treatment activities will include removal of invasive, and non-native plant species.

Additionally, the project will not impact environmental resources of hazardous or critical concern that are designated, precisely mapped and officially adopted by government agencies; does not contribute to cumulative environmental impact; will not have a significant impact on the environment due to unusual circumstances; does not damage scenic resources within a designated state scenic highway; is not on the list of Hazardous Waste and Substance Sites pursuant to Section 65962.5 of the Government Code; and does not cause adverse change in the significance of a historical resource.

The following is to be filled in only upon formal project approval by the appropriate County of San Diego decision-making body.
