To whom it may concern,

San Diego State University would like to submit the following clarification. The Notice of Availability (NOA) issued on January 3, 2025, for the San Diego State University (SDSU) Evolve Student Housing Project Draft Environmental Impact Report (EIR; SCH No. 2024080979) included a clerical error regarding the day of the Zoom public meeting webinar, listed as Wednesday, January 30, 2025. The correct date of the webinar is **Thursday**, January 30, 2025, at 3:30 PM. The link to the webinar can be found on the SDSU website at <https://bfa.sdsu.edu/campus/facilities/planning/eir>.

San Diego State University is requesting this clarification memorandum be posted to CEQANet along with the project information that was posted on January 3, 2025.
