Project Title: Laguna Vista Elementary School Water Treatment Improvement Project

Project Applicant: Ocean View School District

Project Location - Specific:

5084 Etting Road

Project Location - City: Oxnard Project Location - County: Ventura

Description of Nature, Purpose and Beneficiaries of Project:

The Laguna Vista Elementary Water System ("System") serves approximately 550 students and staff via an on-site production well through one service connection. The project would involve installation of a new Day Tank and Point-of-Entry water treatment system, replacement of the existing chlorine injection system, and installation of a minor amount of new pipeline to connect the System's treated water with potable outlets. The project is categorically exempt as it involves minor alterations of existing facilities, replacement of existing facilities, and minor new construction that involves expansion of utility infrastructure.
