

NOTICE OF EXEMPTION

To: County of Los Angeles
Registrar-Recorder/Clerk
Business Filing & Registration
12400 Imperial Highway, Room 1201
Norwalk, California 90650

From: Port of Long Beach
Environmental Planning Division
415 West Ocean Boulevard
Long Beach, California 90802

Project Title: UV Stormwater Disinfection System Installation – Harbor Development Permit 24-041
State Clearinghouse No:
Project Applicant: Port of Los Angeles
Project Location – Specific: 548 Henry Ford Avenue; Harbor Planning District 4 – Terminal Island
Project Location – City: Long Beach, California **Project Location – County:** Los Angeles County

Description of Nature, Purpose and Beneficiaries of Project:

Installation of a new UV disinfection system in the existing 6-inch stormwater force main that drains the area in the vicinity of the New Dock Street underpass. The UV disinfection system shall treat bacteria found in stormwater prior to discharge into the ocean.

Name of Public Agency Approving Project: Port of Long Beach
Name of Person or Agency Carrying out Project: Port of Los Angeles

Exempt Status: (check one):

- Ministerial Exemption [Section 21080(b)(1); 15268];
- Declared Emergency (Section 21080(b)(3); 15269(a));
- Emergency Project [Section 21080(b)(4); 15269(b)(c)]
- Categorical Exemption.

*State type and section number: Section 15303 New Construction or Conversion of Small Structures;
Section 15301 Existing Facilities*

- Statutory Exemption.
State code number:

Reasons why project is exempt:

Section 15303 New Construction or Conversion of Small Structures (Class 3): The Class 3 Categorical Exemption consists of construction and location of limited numbers of new, small facilities or structures; installation of small new equipment and facilities in small structures; and the conversion of existing small structures from one use to another where only minor modifications are made in the exterior of the structure. The project involves the installation of a new UV disinfection system in an existing stormwater force main.

Section 15301 Existing Facilities (Class 1): The Class 1 Categorical Exemption consists of the operation, repair, maintenance, permitting, leasing, or minor alteration of existing public or private structures, facilities, mechanical equipment, or topographical features, involving negligible or no expansion of existing or former use. The project involves the installation of a new UV disinfection system in an existing stormwater force main involving no expansion of existing or former use.

The Port has determined that none of the exceptions to the exemptions in the California Environmental Quality Act (CEQA) Guidelines Section 15300.2 foreclose the use of Categorical Exemption CEQA Guidelines Section 15303 (New Construction or Conversion of Small Structures) and Section 15301 (Existing Facilities); therefore, the Project is exempt from CEQA and no further environmental review is required.

Lead Agency

Contact Person: Amy Wong

Area Code/Telephone/Extension: (562) 283-7100

If filed by applicant:

1. Attach certified document of exemption finding.
2. Has a Notice of Exemption been filed by the public agency approving the project? Yes No
