RECOMMENDATION REPORT FOR RETAIL WITH ON-SITE SALES COMMERCIAL CANNABIS LICENSE

Pursuant to Los Angeles Municipal Code (LAMC) Section 104.06, the following application for commercial cannabis activity is complete and the Department of Cannabis Regulation (DCR) has determined the Applicant meets the requirements for the issuance of an Annual License for the commercial cannabis activity listed below. DCR recommends that the Cannabis Regulation Commission approve the issuance of an Annual License. DCR also has determined this project is categorically exempt from the requirements of the California Environmental Quality Act (CEQA) pursuant to the Class 1 and Class 32 categorical exemptions.

BACKGROUND:

The Applicant was issued Temporary Approval by DCR with an effective date of March 21, 2022. Since that time, the Applicant has adhered to the requirements of the Los Angeles Municipal Code (LAMC) and DCR’s Rules and Regulations, and completed all requirements for the issuance of an Annual License. The Applicant currently possesses a State provisional License, C10-0000812-LIC, to conduct Retail with on-site sales Commercial Cannabis Activity, which is active through May 17, 2025. The Applicant is subject to the requirements of LAMC Section 104.20 for the Social Equity Program. The Business Premises is located at 11614 W VENICE BLVD, LOS ANGELES, CA 90066, a parcel zoned for General Commercial purposes.

Social Equity Applications are evaluated for compliance with the Equity Share requirements under LAMC 104.20. To comply with the Equity Share requirements, Social Equity Individual Applicants (SEIAs) must possess unrestricted ownership of their share of the Social Equity Applicant (business), a proportional right to vote and to the profits, and include certain language mandated by LAMC 104.20 in their agreements, among other requirements. As part of the application process, DCR reviewed the corporate and ownership documentation provided for this Applicant and determined that the Applicant met the minimum Equity Share requirements at that time.

DEPARTMENT ANNUAL LICENSING RECOMMENDATION:

DCR recommends approving the Annual License for the Applicant based on the following factors:

- The Applicant has met the Application requirements under LAMC Section 104.03.
- The Business Premises location meets the requirements under LAMC Section 105.02.
- The Application does not contain any grounds for denial under LAMC Section 104.04.
- The Applicant has met the requirements under LAMC Section 104.20.

COMMUNITY INPUT:

On or about June 21, 2024, DCR provided notice of the community meeting and Cannabis Regulation Commission meeting by mail to the owners and occupants of all property within 700 feet of the property line of the Business Premises. Notice was also provided to the nearest Neighborhood Council, Business Improvement District, and Council Office.

Virtual community meetings were held on July 5th and July 11th, 2024. During the meeting, members of the public were afforded two minutes each to speak about the Application. DCR also accepted online written input through the date of the community meeting. One comment provided by the owner was in favor of the application. Owner stated a good and safe environment is provided to customers and staff receive fair wages.

| | |
|--|----------|
| Number of Comments In Favor of the Application | 1 |
| Number of Comments Against the Application | 0 |
| Total Number of Comments | 1 |

The Applicant provided timely proof to DCR that it contacted the nearest Neighborhood Council and offered to appear before the Neighborhood Council in accordance with LAMC Section 104.06(b)(1)(ii).

COMPLIANCE REVIEW:

DCR has not recently performed a compliance inspection for this Applicant. However, this business shall be subject to multiple, future inspections by DCR and several other agencies prior to the receipt of an Operating Permit. An

Operating Permit is the final authorization from DCR to conduct Commercial Cannabis Activity, and is issued only after a licensee has passed a Final Inspection by DCR, and obtained all permits, clearances, or other authorizations required by law, which may include a Certificate of Occupancy from the Los Angeles Department of Building and Safety, clearance from the Los Angeles Fire Department and/or permit from the Los Angeles County Department of Public Health.

THERE ARE NO EXISTING REASONS TO DENY AN ANNUAL LICENSE:

DCR or the Cannabis Regulation Commission may deny an Annual Application for the reasons stated in LAMC section 104.04. These denial reasons include, but are not limited, to:

- The Business Premises is substantially different from the diagram of the Business Premises submitted by the Applicant or Licensee;
- Denying DCR employees or agents access to the Business Premises;
- Procuring a License by fraud or deceit, making a material misrepresentation, false statement, or knowingly failing to disclose a material fact;
- Failing to timely to provide DCR with requested information, forms or documents;
- Denial of a license, permit or other authorization to engage in Commercial Cannabis Activity by any state or other local licensing authority;
- Creation a significant public safety problem as documented by a law enforcement agency;
- Failure to adhere to the requirements of this article or the Rules and Regulations;
- Engaging in unlicensed Commercial Cannabis Activity in violation of Section 104.15;
- Revocation of Temporary Approval;
- Failing a Business Premises inspection by DCR, another City agency, or the Los Angeles County Department of Public Health; or
- Failing to comply with any requirement in LAMC Section 104.20;
- The Business Premises was the site of a utility disconnect, padlocking or certain criminal convictions for a period of 5 years from the date of the conviction, padlock or disconnect;
- Improper zoning or distancing of the Business Premises from Sensitive Uses under LAMC Section 105.00 *et seq.*;
- An Owner is an individual who holds office in, is employed by any agency of the State of California and any of its political subdivisions when the individual's duties include the enforcement or regulation of Commercial Cannabis Activity or any other penal provisions of law of the State of California prohibiting or regulating Commercial Cannabis Activity; and,
- An Owner is an entity incorporated outside of the United States.

At present, DCR is not aware of any existing facts or circumstances to deny this Annual License for the reasons in LAMC Section 104.04. Thus, DCR recommends the Commission approve the issuance of this Annual License.

CALIFORNIA ENVIRONMENTAL QUALITY ACT (CEQA) PROJECT DESCRIPTION:

The Applicant seeks conversion of an existing Retail Storefront (Type 10) Temporary Approval to an Annual License to be located on an existing site zoned for General Commercial, C2-1 at 11614 W VENICE BLVD, LOS ANGELES, CA 90066 (Assessor's Parcel Number 4214-013-027). The Project-Specific Information (LIC-4013-FORM) submitted by the Applicant states that existing structures will remain with no expansion proposed (Exhibit A). Existing City sewer service is provided to the project site, and water and electricity are provided by the City of Los Angeles Department of Water and Power. Operations would be seven days per week from 8:00 a.m. to 10:00 p.m. Pre-application review has found the project to be consistent with planning and zoning. Further project site information is provided in the Project Parcel Profile Report from the City's Zone Information and Map Access System (ZIMAS) (Exhibit A). Compliance with Los Angeles Municipal Code Sections 104.00 *et seq.* and 105.00 *et seq.*, as well as DCR's Rules and Regulations, does not waive or otherwise circumvent any other City or State requirements or necessary permits from the City, State, or other public agencies, such as the Los Angeles Department of Building

and Safety, the Los Angeles Fire Department, or the Los Angeles County Public Health Department. Full compliance with all applicable regulations for the proposed cannabis use(s) are assumed in this analysis.

CEQA PROJECT ANALYSIS & FINDINGS:

Land Use/Zoning Designations

General Commercial/C2-1

Surrounding Land Use/Zoning Designations

General Commercial /C2-1

Low Residential / R1V2

Medium Residential / R3-1

Subject Property

The subject site is a fully developed lot within the Palms - Mar Vista - Del Rey Community Plan Area. The lot is approximately 100 feet deep and a width of 25 feet along W Venice Blvd. The site is currently developed with a general commercial building, built in 1986 proposed to be maintained.

The site has a General Commercial land-use designation and is zoned C2-1. The site is located within Council District 11, Mar Vista Neighborhood Council, the lot is flat and contains a pre-existing building to be used by the Applicant.

Abutting Properties

Abutting uses include commercial and residential uses within 200 feet of the site. The immediate area along W Venice Blvd is predominantly developed with General Commercial uses, zoned C2-1, Low Residential, zoned R1V2 and ,Medium Residential uses, zoned R3-1. (See Exhibit A)

CEQA Findings

CEQA Guidelines, Sections 15301 & 15332, Class 1 & Class 32, consists of projects characterized as in-fill development meeting the following 5 conditions: (a) The project is consistent with the applicable general plan designation and all applicable general plan policies as well as with the applicable zoning designation and regulations; (b) The proposed development occurs within city limits on a project site of no more than five acres substantially surrounded by urban uses; (c) The project site has no value as habitat for endangered, rare or threatened species; (d) Approval of the project would not result in any significant effects relating to traffic, noise, air quality, or water quality; and (e) The site can be adequately served by all required utilities and public services.

These conditions are met as follows: The project is consistent with the applicable general plan designation and all applicable general plan policies as well as with the applicable zoning designation and regulations for the requested commercial cannabis activities.

a) The site is comprised of one lot totaling approximately 2,498 gross square feet, zoned C2-1 with a general commercial building originally constructed in 1986. No relief has been requested from any applicable provision or requirement of the Los Angeles Municipal Code.

b) The subject site is wholly within the City of Los Angeles, on an approximately 2,498 gross square foot property (i.e., less than five acres), and is substantially surrounded by commercial and residential uses. The surrounding area is zoned General Commercial/C1, Low Residential/R1; and, Medium Residential/R3, and developed with a mix of commercial and residential buildings along W Venice Blvd between Mclaughlin Ave and Coolidge Ave.

c) The project site has no value as habitat for endangered, rare or threatened species. The project is located within an established, fully developed, neighborhood. The project site has no value as habitat for endangered, rare or threatened species. The project does not propose the removal of any trees on-site and/or within the adjacent public right-of-way.

d) Approval of the project would not result in any significant effects relating to traffic, noise, air quality, or water quality.

e) The site can be adequately served by all required utilities and public services. The project site will be adequately served by all required public utilities and services, given that the site is currently served by the City's Department of Water and Power, the City's Bureau of Sanitation, the Southern California (SoCal) Gas Company, the Los Angeles Police Department, the Los Angeles Fire Department, Los Angeles Unified School District, Los Angeles Public Library, and other public services. Compliance with Regulatory Compliance Measures as enforced through the Department of Building and Safety permitting process will ensure that any needed improvements are made in order to provide adequate delivery of utilities and services to the proposed project.

CEQA Section 15300.2: Exceptions to the Use of Categorical Exemptions. The City has further considered whether the proposed project is subject to any of the exceptions set forth in State CEQA Guidelines Section 15300.2, that would prohibit the use and reliance on the categorical exemptions. None of the exceptions are triggered. As the proposed project will result in no physical changes to the site, the project would not have physical impacts to the environment. As such, it would not have a combined impact with other projects in the area that would result in cumulative impacts. There are no unusual circumstances associated with the project, which is proposed in general plan designation and zoning classification that allow the proposed use. The project will not physically change the site or the existing structures. Therefore, the project would have no impact on scenic resources, historic building(s), and the site is not on the lists that satisfy Government Code Section 65962.5, commonly referred to as the "Cortese List," as being affected by hazardous wastes or clean-up problems.

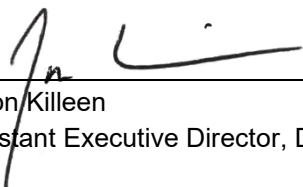

Based on the analysis above, the proposed project is consistent with the criteria for Class 1 and Class 32 categorical exemptions (tit. 14, Cal. Code Regs., §§ 15301, 15332) and does not require further analysis based on the exceptions in CEQA Guidelines Section 15300.2, and thus, DCR finds that no further CEQA analysis is required.

In conclusion, since the project meets all of the requirements for categorical exemption as set forth at CEQA Guidelines, Sections 15301 & 15332, and none of the applicable exceptions to the use of an exemption apply to the project, it is appropriate to determine this project is categorically exempt from the requirements of CEQA.

DEPARTMENT OF CANNABIS REGULATION RECOMMENDED ACTIONS:

That the Cannabis Regulation Commission:

1. Determine, based on the whole of the administrative record, that the project is exempt from the California Environmental Quality Act (CEQA) pursuant to Article 19, Section 15301, Class 1, and Article 19, Section 15332, Class 32 of the State CEQA Guidelines (tit. 14, Cal. Code Regs., §§ 15301, 15332), and there is no substantial evidence demonstrating that an exception to a categorical exemption pursuant to CEQA Guidelines Section 15300.2 applies;
2. Pursuant to Los Angeles Municipal Code Section 104.06(b)(2), approve the Annual License for Type 10 Storefront Retail Commercial Cannabis Activity at the Business Premises location; and,
3. Adopt DCR's Project Analysis & Findings as the Commission's report on the subject.

FOR ALL SITES

11. Does the project require a water right permit or another environmental permit that could result in physical changes to the environment? (If yes, see instructions.) Yes No

List permits required and any potential physical changes that could occur. Cite source(s) of information.

N/A. See "Categorical Exemption Evaluation Form: Class 32: Infill Development Projects"

Categorical Exemption Evaluation Form

Class 4: Minor Alterations to Land

1. Does the project involve the removal of healthy, mature, scenic trees (except for forestry and agricultural purposes)? Yes No

Provide details, if needed. Cite source(s) of information.

N/A. See "Categorical Exemption Evaluation Form: Class 32: Infill Development Projects"

2. Does the project involve alterations to land, water, or vegetation that would be considered minor? Yes No

Provide details, if needed. Cite source(s) of information.

N/A. See "Categorical Exemption Evaluation Form: Class 32: Infill Development Projects"

3. Would the alterations consist of grading on lands of 10 percent slope or steeper? Yes No

Provide details, if needed. Cite source(s) of information.

N/A. See "Categorical Exemption Evaluation Form: Class 32: Infill Development Projects"

4. Would the alterations consist of grading in an area determined to be a wetland? Yes No

Cite source(s) of information.

N/A. See "Categorical Exemption Evaluation Form: Class 32: Infill Development Projects"

5. Would the alterations consist of grading in a scenic area officially designated by a federal, state, or local agency? Yes No

Provide name of scenic area (if applicable). Cite source(s) of information.

N/A. See "Categorical Exemption Evaluation Form: Class 32: Infill Development Projects"

6. Would the alterations consist of grading in an officially mapped area of severe geologic hazard, such as an Alquist- Priolo Earthquake Fault Zone, or within an official Seismic Hazard Zone designated by the State Geologist? Yes No

Provide the name of the zone (if applicable). Cite source(s) of information.

N/A. See "Categorical Exemption Evaluation Form: Class 32: Infill Development Projects"

7. Does the project require a water right permit or another environmental permit that could result in physical changes to the environment? (If yes, see instructions.) Yes No

List permits required and any potential physical changes that could occur. Cite source(s) of information.

N/A. See "Categorical Exemption Evaluation Form: Class 32: Infill Development Projects"

Categorical Exemption Evaluation Form

Class 11: Accessory Structures

1. Does the project include the construction or placement of accessory structures? Yes No

Describe new and/or replacement accessory structures. Cite source(s) of information.

N/A. See "Categorical Exemption Evaluation Form: Class 32: Infill Development Projects"

2. Does the project require a water right permit or another environmental permit that could result in physical changes to the environment? (If yes, see instructions.) Yes No

List permits required and any potential physical changes that could occur. Cite source(s) of information.

N/A. See "Categorical Exemption Evaluation Form: Class 32: Infill Development Projects"

Categorical Exemption Evaluation Form

Class 32: Infill Development Projects

1. Is the project consistent with the general plan designation, all applicable general plan policies, and zoning designation and regulations for the site? Yes No

Cite source(s) of information.

Sources:
- Zimas
- DCR CEQA NOTICE OF EXEMPTION

2. Project Size and Location
a. Is the project site 5 acres in size or less? Yes No

Indicate the size of the project site, in acres. Cite source(s) of information.

Approx. 0.28 Acre (12,000 sqft) lot size.
Source: Zimas

- b. Is the project site substantially surrounded by urban uses? Yes No

Describe the uses of the surrounding properties. Cite source(s) of information.

Surrounding property uses are primarily urban commercial uses, such as retail, restaurant, automotive, etc.

Sources:
- Zimas
- DCR CEQA NOTICE OF EXEMPTION

3. Does the project site have value as habitat for endangered, rare, or threatened species? Yes No

Describe any habitat for endangered, rare, or threatened species identified on or near the project site (if applicable). Cite source(s) of information.

None. Project site is urban structures and hardscaping.

Sources:
- Zimas
- DCR CEQA NOTICE OF EXEMPTION

4. Would the project have significant impacts related to traffic, noise, air quality, or water quality? Yes No

Describe potential impact(s) and evidence (if applicable). Cite source(s) of information.

No significant impacts to traffic, noise, air quality, or water quality. Small retail premises with no cultivation/manufacturing.

Sources:

- Zimas
- DCR CEQA NOTICE OF EXEMPTION

5. Can the project site be adequately served by all required utilities and public services? Yes No

Describe which utilities and public services serve the project site. Cite source(s) of information.

Water, Power, Gas, Internet and Phone utilities available and currently in use.

Sources:

- Business records

6. Does the project require a water right permit or another environmental permit that could result in physical changes to the environment? (If yes, see instructions.) Yes No

List permits required and any potential physical changes that could occur. Cite source(s) of information.

None. N/A

Exceptions to Exemptions

1. Scenic Highways

- a. Is the project visible from an official State Scenic Highway? Yes No

*List State Scenic Highway(s) from which the project is visible (if applicable).
Cite source(s) of information.*

None. Not Applicable.
Sources: Zimas

- b. If yes, would the project result in damage to scenic resources? Yes No

*Describe scenic resources and potential damage (if applicable). Cite source(s)
of information.*

N/A

2. Is the project located on a site included on any list compiled pursuant to Government Code § 65962.5 (Cortese List)? Yes No

Describe the type of hazardous site (if applicable). Cite source(s) of information.

None. Not Applicable.
Sources: Landlord

3. Would the project result in a substantial adverse change in the significance of a historical resource? Yes No

*List the historic resource(s) potentially affected and describe the potential effects
(if applicable). Cite source(s) of information.*

None. Not Applicable.
Sources: Zimas

4. **Is there evidence of the potential for the project to contribute to a significant cumulative impact?** Yes No

Describe the potential cumulative impact(s) and evidence (if applicable). Cite source(s) of information.

None. Not Applicable.
No significant cumulative increase in traffic, noise, etc. Use consistent with existing surrounding uses.
Sources: Zimas

5. **Is there evidence of a reasonable possibility of a significant environmental impact due to unusual circumstances?** Yes No

Describe the potential impact(s), circumstances, and evidence (if applicable). Cite source(s) of information.

None. Not Applicable
No unique or uncommon situations that might lead to environmental impacts.
Source: Zimas

6. **Would the project impact an environmental resource of hazardous or critical concern?** Yes No

Provide details, if needed. Cite source(s) of information.

None. Not Applicable
No environmental impacts.
Source: Zimas

7. **Does the project involve the removal of healthy, mature, scenic trees (except for forestry and agricultural purposes)?** Yes No

Provide details, if needed. Cite source(s) of information.

None. Not Applicable. Project does not involve removal of trees.

CEQA Exemption PetitionClass: Class 32 Category: Infill Development Projects

Explanation of how the project fits the CEQA exemption indicated above:

- (a) The project is consistent with the applicable general plan designation and all applicable general plan policies as well as with applicable zoning designation and regulations.
- (b) The proposed development occurs within city limits on a project site of no more than five acres substantially surrounded by urban uses.
- (c) The project site has no value as habitat for endangered, rare or threatened species.
- (d) Approval of the project would not result in any significant effects relating to traffic, noise, air quality, or water quality.

- 1. Source(s) of Information:** Identify Sources: *Indicate the document(s) or other sources of information reviewed to complete this form.*

Sources:
- Zimas
- DCR CEQA NOTICE OF EXEMPTION
- Cal. Code Regs. tit. 14 § 15332

- 2. Project Location and Surrounding Land Use.**

- (a) Describe Project Location: *Provide detailed information about the project location and any other physical description that clearly indicates the project site location.*

Existing structure at 11614 Venice Blvd, Los Angeles CA 90066. Located inside a strip mall with similar uses.

- (b) Existing Land Uses/Zoning: *Describe the current land uses on the project site and any existing buildings and structures. Describe the surrounding land uses and zoning designations within a one-half mile radius of the project and list all abutting land uses.*

1) Current Land Use: The project site existing land use is Commercial. Existing structures include a strip mall.
2) 0.5 Mile Radius: Surrounding Land use: "C2" COMMERCIAL, "R3" MULTIPLE DWELLING, "OS" OPEN SPACE, "R1" ONE-FAMILY, "C1" LIMITED COMMERCIAL, "M1" LIMITED INDUSTRIAL
3) Abutting Uses: "C2" COMMERCIAL

- (c) **Previous Use:** Describe the previous use of the Project site or facility, if known. Include an estimate of the time such previous operations ceased, if such information is available.

Previous use was commercial. Time such previous operations ceased unknown.

- (d) Was the site previously used for a similar use? The key consideration is whether the project involves negligible or no expansion of an existing use.

Yes, the site was previously used for a similar use (commercial retail, etc). Negligible/no expansion of an existing use.

- (e) **Maps to be Included:** Provide a vicinity map and aerial image to show the project location. Include photographs, not larger than 8½ by 11 inches, of existing visual conditions as observed from publicly accessible vantage point(s).

3. Project Operations/Description. Provide the following information about project operation and maintenance activities. If more than one type of cannabis activity is occurring on-site, provide a description of the project operations for each activity. This should include the following relevant information.

- (a) **Activities Occurring Onsite:** Describe the activities included in the project application and identify any other commercial cannabis activity or activities occurring at the proposed premises, including other proposed cannabis activities occurring on the property. Describe the cannabis business operation methods and activities (e.g. cultivation methods, manufacturing and/or distribution operations).

Activities are limited to those allowed for cannabis Type 10 Storefront Retail.

Operation methods and activities include retail sale of pre-packaged cannabis products via in-store and/or delivery only; storage of inventory; and clerical activities related to the cannabis retail use.

- (b) Cannabis Operation Activities Owned by the Same or Different Businesses: *Describe any additional cannabis operation activities existing or proposed either owned by the same or different businesses on the property.*

LA-S-23-403025: Type 9 Delivery

- (c) Project Size: *Quantify the project size (total floor area of the project), and the lot size on which the project is located, in square feet.*

Approx. 1,200 sqft premises.
Approx. 12,000 sqft lot size.

- (d) State License: *Identify whether the applicant is licensed by, or has applied for licensure from, the California Department of Cannabis Control to engage in commercial cannabis activity at the proposed premises.*

Yes, C10-0000812-LIC.

- (e) Hours of Operation/Work Shifts: *Identify the hours of operation/work shifts for the project.*

Business Hours: 9:30AM - 9:50PM Daily
Staff Hours: 9AM - 10:30PM Daily

- (f) Number of employees (total and by shift): *Estimate the number of anticipated employees onsite and occupancy during operating hours.*

Number of employees Total: 8-10
Number of by shift Total: 2-3

- (g) Estimated Daily Trip Generation: *Estimate the frequency of deliveries or shipments originating from and/or arriving to the project site. Identify the approximate number of vehicle trips per day to be generated by the project and information regarding the days and times most trips are expected to occur.*

Originating from project site: Estimated 5-10 per day, for retail delivery. Delivery Employees using personal, non-commercial cars. During business hours.
Arriving to the project site: 2-4 per week, equal to 0.3-0.6 per day, for wholesale delivery. Wholesale suppliers using non-commercial cars and vans. Business hours.

- (h) Source(s) of Water: *Name all sources of water, and indicate whether a new or amended water right must be obtained from the State Water Resources Control Board.*

Source of Water: Existing LADWP connections.
No new/amended right must be obtained.

- (i) Wastewater Treatment Facilities: *Describe the facilities for treatment of wastewater (e.g., leach field, City wastewater collection facilities).*

Wastewater generated is extremely limited, consisting of one bathroom (toilet and sink) used by employees only during business hours, with wastewater draining to public utility.

4. Environmental Setting:

- (a) Describe natural characteristics on the project site:

The premises is within an existing strip mall, consisting of retail spaces and a paved parking lot. Developed urban area.

- (b) General Topographic Features (slopes and other features):

Site is flat, no slope. Developed urban area.

- (c) Natural characteristics (general vegetation types, drainage, soil stability, habitat, etc.):

Vegetation is limited to some minor landscaping. Remainder of site is paved or covered by existing building.

- (d) Identify whether there are any watercourses and riparian habitats within 150- feet of the proposed premises (e.g., drainage swales, stream courses, springs, ponds, lakes, creeks, tributary of creeks, wetlands):

No watercourses and riparian habitat

- (e) Identify whether the property contains natural features of scenic value of rare or unique characteristics (e.g., rock outcroppings, mature trees):

No natural features of scenic value of rare or unique characteristics

- (f) Identify whether the property has any historic designations or archeological remains onsite:

No historic designations or archeological remains

- (g) Identify whether the property contains habitat for special status species:

Does not contain habitat for special status species

- (h) Identify the location, type, and quantity of hazardous materials, as defined by Health and Safety Code section 25260, that are stored, used, or disposed of at the project site and a copy of the Hazardous Material Business Plan (HMBP) prepared for the proposed premises, if any:

None. No Cultivation/Manufacturing. No Chemicals (solvents, acids, bases, and toxic substances). No Flammable Materials (gasoline, propane, industrial chemicals), No Hazardous Waste (spent solvents, contaminated materials, or other waste products). No Radioactive Materials. No Biological Materials (infectious agents, genetically modified organisms). No Asbestos.

- (i) Discuss whether the project will increase the quantity and type of solid waste, as defined by Public Resources Code section 40191, or hazardous waste, as defined by Health and Safety Code section 25117, that is generated or stored onsite:

The project will not increase the solid waste (such as everyday waste like packaging, paper, cardboard, and plastics) generated or stored onsite. The project will not produce hazardous waste.

- ① Describe the project's anticipated operational energy needs, identify the source of energy supplied for the project and the anticipated amount of energy per day, and explain whether the project will require an increase in energy demand and the need for additional energy resource:

The project's energy needs will consist primarily of standard lighting and office equipment such as computers and phones. Energy usage will be consistent with similar retail uses. No energy increase anticipated. No cultivation/manufacturing occurring on site; no equipment requiring significant energy usage. Retail stores use around 14.3 kWh of electricity per square foot each year (EIA Energy Information Administration)

5. Explain whether any of the project activities will expand the existing footprint of the proposed facility beyond the current structural or parcel boundaries, increase the amount of impervious surface, or reduce any natural habitat. If the project is part of a larger project, attach a separate sheet to briefly describe the larger project.

None. No exterior expansions. No reduction in impervious surface/natural habitat.

6. Environmental Commitments: *List any environmental commitments agreed to by the applicant to the protection of biological or cultural resources, energy efficiency, water efficiency, noise abatement, lighting, or other aspects of the project that may reduce impacts on the environment.*

None. N/A. No environmental commitments required for project.

7. Other Relevant CEQA Information: *Submit any other relevant CEQA documentation or information that will assist the Department in determining CEQA compliance (e.g., any environmental impact analysis prepared by a consultant).*

See DCR CEQA NOTICE OF EXEMPTION

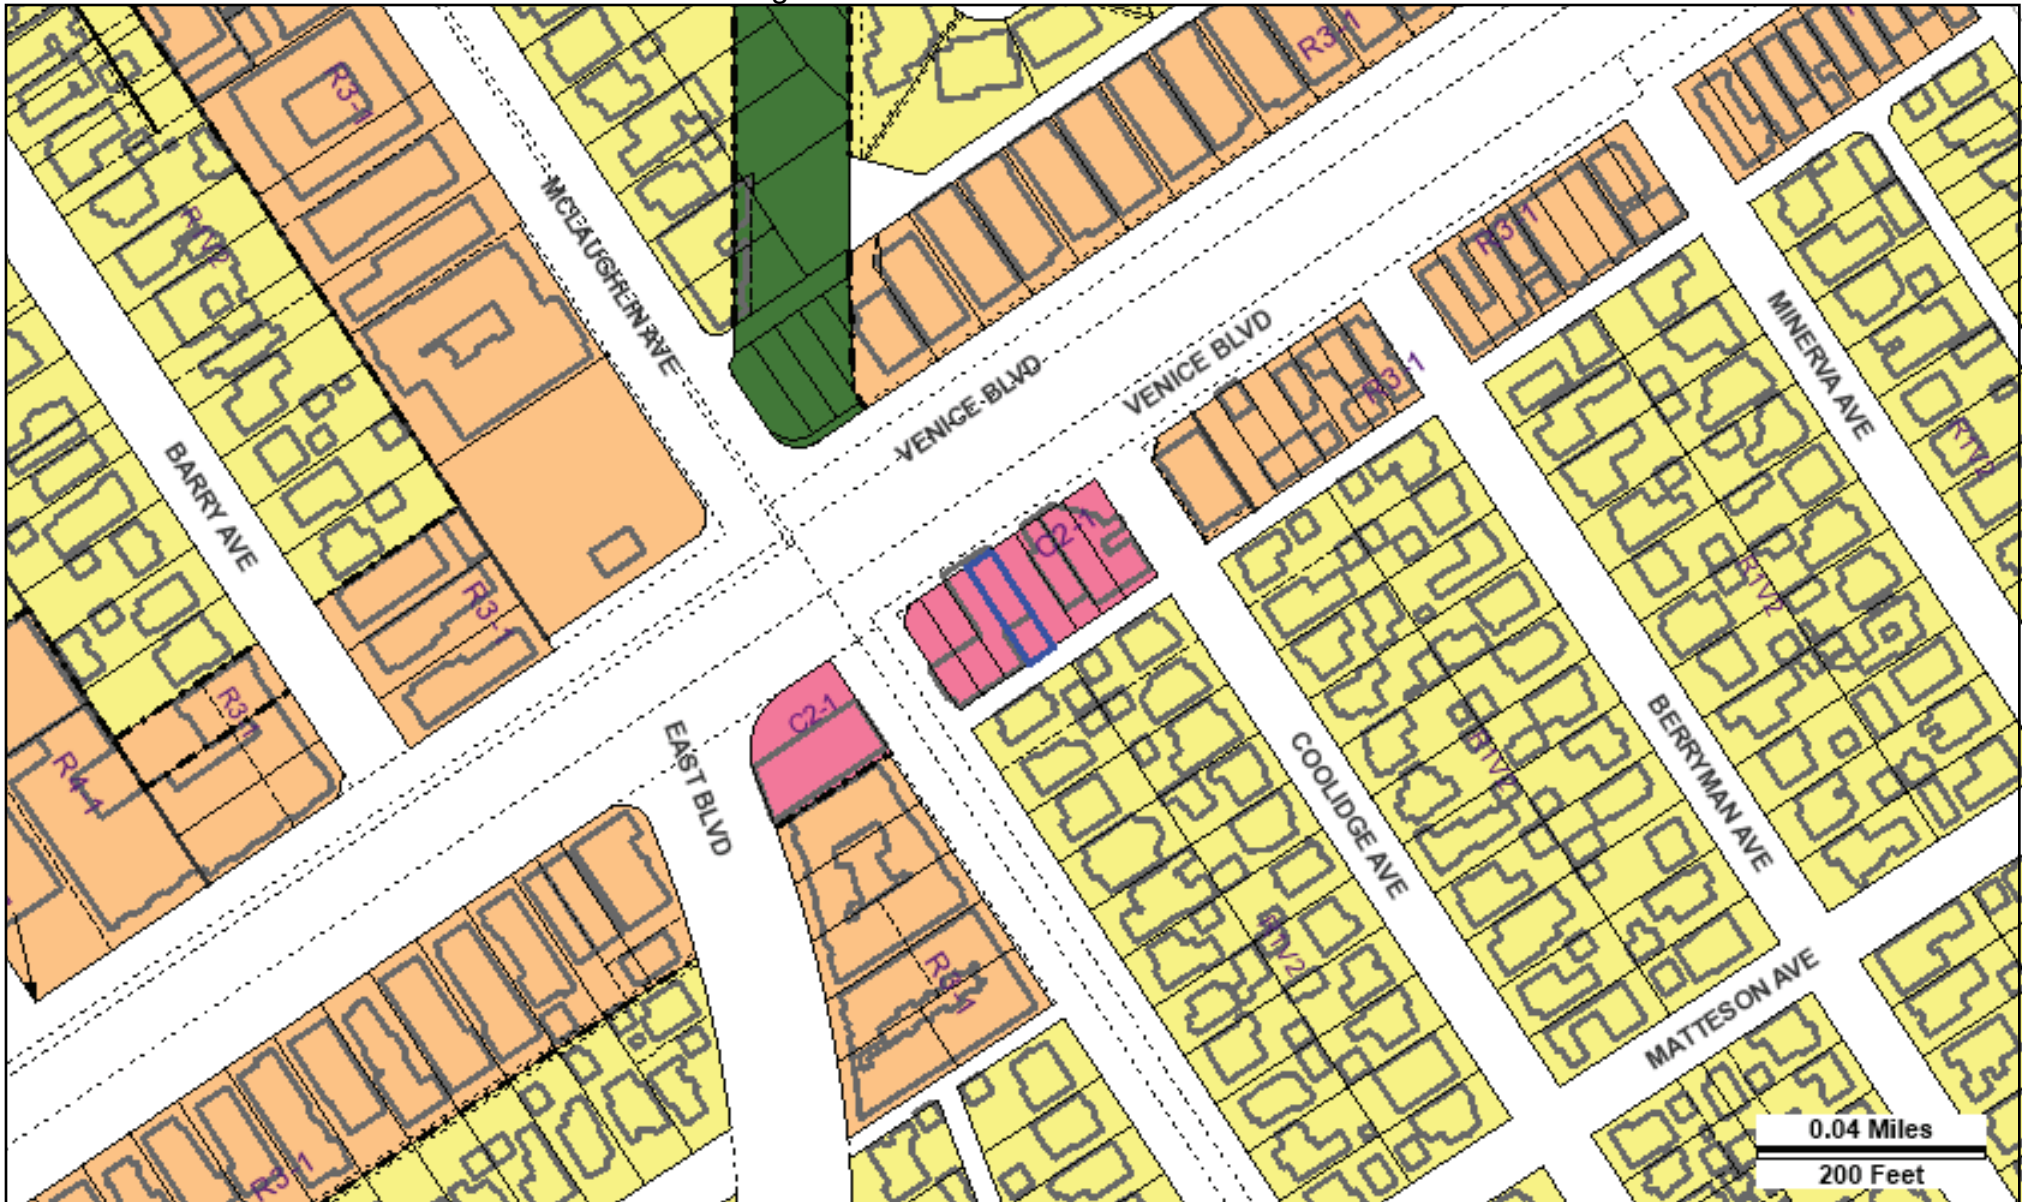

8. Permits Required: *List all other required federal, state, and local permits required, including, but not limited to, all entitlements required for this project by a planning commission, local air district, or regional water board. Identify whether the commercial cannabis business(es) is licensed by or has applied for licensure from the Department, or one of the prior state cannabis licensing authorities:*

- California Department of Cannabis Control
- Los Angeles Fire Department
- Los Angeles Department of Building and Safety
- California Department of Fish and Wildlife
- State Water Resources Control Board / Regional Water Quality Control Board
- County of Los Angeles Public Health Permit
- Local Air District
- Streambed Alteration Agreement
- Water quality protection program
- Los Angeles Department of Water and Power
- Los Angeles Department of Public Works, Bureau of Sanitation

Partial List of Categorical Exemptions under CEQA

Certain commercial cannabis activities (projects) may be exempt from further environmental review pursuant to the California Environmental Quality Act (CEQA) because they fall within a class of projects determined not to have significant effect on the environment. (Cal. Code Regs., tit. 14, § 15300 et seq.) Common exemptions that may apply have been identified below.

| Class | Category | Description |
|--------------|--|---|
| Class 1 | Existing Facilities | Consists of the operation, repair, maintenance, permitting, leasing, licensing, or minor alteration of existing public or private structures, facilities, mechanical equipment, or topographical features, involving negligible or no expansion of use beyond that existing at the time of the lead agency's determination. (Cal. Code Regs., tit. 14, §15301.) |
| Class 2 | Replacement or Reconstruction | Consists of replacement or reconstruction of existing structures and facilities where the new structure will be located on the same site as the structure replaced with a new structure of substantially the same size, purpose, and capacity. (Cal. Code Regs., tit. 14, § 15302.) |
| Class 3 | New Construction or Conversion of Small Structures | Consists of construction and location of limited numbers of new, small facilities or structures; installation of small new equipment and facilities in small structures; and the conversion of existing small structures from one use to another where only minor modifications are made in the exterior of the structure. (Cal. Code Regs., tit. 14, § 15303.) |
| Class 4 | Minor Alterations to Land | Consists of minor public or private alterations in the condition of land, water, and/or vegetation which do not involve removal of healthy, mature, scenic trees except for forestry and agricultural purposes. (Cal. Code Regs., tit. 14, § 15304.) |
| Class 11 | Accessory Structures | Consists of construction, or placement of minor structures accessory to (appurtenant to) existing commercial, industrial, or institutional facilities. (Cal. Code Regs., tit. 14, § 15311.) |
| Class 32 | In-Fill Development Projects | Consists of projects characterized as in-fill development meeting the conditions described in Cal. Code Regs., tit. 14, § 15332. |
