Draft Ordinance

A. Scope, Purpose and Findings.

1. The purposes of this section (which may be referred to as the "Vacation Rental Ordinance") are to:

a. Document the procedures and regulations that govern the application for, and the issuance and implementation of, permits for the operation of any vacation rental use within the city.

b. Establish that transient occupancy uses are not permitted or conditionally permitted in residential or nonresidential zoning districts, unless either: (i) the city has approved a hotel use in a nonresidential zoning district pursuant to Title 17, or (ii) the city has approved a use permit for a bed and breakfast inn pursuant to Section 17.52.060 of this chapter, or (iii) the city has approved a vacation rental permit pursuant to this section, or (iv) the city has approved a use permit for a glamping campground pursuant to this section and Chapter 17.60 of this Title.

2. The City Council hereby finds that unregulated transient occupancy uses in residential and nonresidential districts present a threat to the public welfare relating to compatibility with residential uses and preservation of the character of the neighborhoods in which they are located, and to the availability of housing stock in compliance with the Housing Element of the General Plan.

3. The City Council hereby finds that the adoption of a comprehensive ordinance regulating the issuance of and operating conditions attached to vacation rental permits is necessary to protect the public health, safety and welfare. The purpose of this section is to provide a permit system and to impose operational requirements to minimize the potential adverse impacts of transient uses in residential neighborhoods and zoning districts on traffic, noise and density, to ensure the health, safety and welfare of renters and guests patronizing vacation rentals, and to impose limitations on the total number and types of permits issued in order to ensure the long term availability of housing stock in compliance with the Housing Element of the City of Napa General Plan.

4. The City Council hereby finds that the provisions of this section which impose restrictions on commercial speech, pursuant to the restrictions on advertisements set forth in subsection (E)(5) of this section, are necessary in order to advance the city's legitimate interest in preventing rental activity that violates this code, and in regulating fraudulent, misleading, or deceptive advertising. These restrictions on advertising are necessary in order to prevent advertisers from engaging in unlawful rental activity and from misleading the general public to think that a particular property in the City of Napa is available for transient occupancy if, in fact, the advertised property is not authorized to be used for transient occupancy purposes in accordance with this section.

5. The City Council hereby finds that it is in the best interests of the residents of the City of Napa and would promote tourism and economic development in the city to establish a glamping campground in the city for the recreational use of the citizens of and visitors to the city. Among the purposes of this ordinance are to establish one (1) glamping campground on those certain lands bearing assessor's parcel number [052-010-001] and located on the west side of State Route 121/Silverado Trail between Stonecrest Drive and Hagen Road; to otherwise prohibit glamping campgrounds in all residential districts in the city; to establish and impose development and operational standards to minimize the potential adverse effects of the permitted glamping campground on the neighboring land uses; and to ensure the health, safety and welfare of renters and guests patronizing the glamping campground.

6. The City Council hereby finds that the city's regulation of vacation rental uses in accordance with this section is a valid exercise of the city's police power in furtherance of the legitimate governmental interests documented in this section.

The owner shall identify any notice of violation or concern (including any compliance order or citation issued by the city, or any concern or complaint identified by a neighbor) issued for the vacation rental use during the permit term, and shall document how the violation or concern has been addressed.
