Present Land Use/Zoning/General Plan Designation:

transportation/recreational

Project Description: (please use a separate page if necessary)

The Project involves the development of a neighborhood park on approximately 4.5 acres of vacant land currently zoned as Park and Recreation. Proposed Park amenities include a multi-use field, covered stage, playgrounds, a water play area, restrooms, picnic shelters, a rubberized jogging track, a dog park, multi-use courts for tennis, basketball, futsal, and pickleball, and an exercise area. However, this Project, and its corresponding environmental assessment, did not include the off-site street improvements. The purpose of this Addendum is to include the off-site improvements such as sidewalk, curb & gutter on eastern side of Milburn Avenue, adjacent to the Park, along with planters, street lighting and roadway improvements. A curb with an ADA-accessible ramp will be installed at the intersection of North Milburn Avenue and West Dakota Avenue.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.
