Project Title: Rosita Road & Angelus Way Emergency Repair Project

Project Applicant: City of Del Rey Oaks

XOCHITL MARINA CAMACHO
MONTEREY COUNTY CLERK
2024-0181 DEPUTY

Project Location - Specific:

Corner of Rosita Rd & Angelus Way in the City of Del Rey Oaks

Project Location - City: Del Rey Oaks Project Location - County: Monterey

Description of Nature, Purpose and Beneficiaries of Project:

The winter storm events that occurred in late February 2023 produced heavy rains that saturated soil and caused a road segment to fail along Rosita Road, in the City of Del Rey Oaks. Half the roadway sank and produced major cracking in the asphalt. Emergency repair work includes curb/gutter, excavation, compaction, pavement with asphalt concrete (AC) and base. In addition, the rock slope protection (RSP) will be placed to stabilize the roadway's slope along the creek. The emergency repair will consist of removing the existing rolled curb and prepping the subgrade for a new curb and gutter; removing one existing inlet and resetting a larger inlet; removing existing AC to the center line and prepping the subgrade for AC paving; furnishing, placing, and compacting base rock for a 4-inch AC paving section; furnishing, placing, and compacting 4 inches of AC paving over 2,600 square feet; installing 12 tons of gabion rock at the back of the inlet; and installing a thermo stop and stop bar.

Name of Public Agency Approving Project: City of Del Rey Oaks

Name of Person or Agency Carrying Out Project: City of Del Rey Oaks

Exempt Status: (check one):

- Ministerial (Sec. 21080(b)(1); 15268);
Declared Emergency (Sec. 21080(b)(3); 15269(a));
Emergency Project (Sec. 21080(b)(4); 15269(b)(c));
Categorical Exemption. State type and section number: Section 15301(c)
Statutory Exemptions. State code number:

Reasons why project is exempt:

The proposed project consists of emergency repairs to existing an existing road involving no expansion of existing or former use. Construction will be conducted in accordance with construction best management practices and compliance with all applicable local, state and federal regulations.
Section 15269 - Emergency Projects (c) Specific actions necessary to prevent or mitigate an emergency. This does not include long-term projects undertaken for the purpose of preventing or mitigating a situation that has a low probability of occurrence in the short-term, but this exclusion does not apply (1) if the anticipated period of time to conduct an environmental review of such a long-term project would create a risk to public health, safety or welfare, or (2) if activities (such as fire or catastrophic risk mitigation or modifications to improve facility integrity) are proposed for existing facilities in response to an emergency at a similar existing facility.
Section 15301 - Existing Facilities: Operation, repair, maintenance, permitting, leasing, licensing, or minor alteration of existing public or private structures, facilities, mechanical equipment, or topographical features, including negligible or no expansion of existing or former use... Examples include: (a) Existing highways and streets, sidewalks, gutters, bicycle and pedestrian trails, and similar facilities (this includes road grading for the purpose of public safety, and other alterations such as the addition of bicycle facilities, including but not limited to bicycle parking, bicycle-share facilities and bicycle lanes, transit improvements such as bus lanes, pedestrian crossings, street trees, and other similar alterations that do not create additional automobile lanes).
